LETTER *from* THE FOUNDATION

Dear Sisters and Friends,

Alpha Phi is known for leaving a mark on history. I am proud to say that as we approach our 150th anniversary, Alpha Phi is making history yet again. Since the start of **Leading With Heart** in 2015, more Alpha Phis than ever have benefited from leadership grants and received scholarships to help them advance and develop as women.

With you, we have helped our sisters and others feel safer and more supported. **With you**, we have championed the Fraternity's vision to evolve with our members and offer new and relevant leadership training and programming. **With you**, we are funding important, front of the line advances in women's heart health year after year. **With you**, our donors, we have emerged stronger and more focused on our mission – *advancing women's lives through the power of philanthropy*.

As we prepare for the next 150 years, we are committed to investing in our members and impacting our communities. This is an exciting time to be an Alpha Phi as we conclude the remaining nine months of our largest philanthropic outreach to date, one that celebrates our past while ensuring our future: **Leading With Heart**. This campaign has and will continue to deepen our impact and strengthen the membership experience. With a focus on building our endowment, we will grow leadership, scholarship, and women's heart health for generations to come.

The stories that fill the **Leading With Heart** Donor Impact Report illustrate just how important your contributions are to the success of our sisters and a vibrant future for Alpha Phi. Donors have enhanced the membership experience by funding over 25 leadership development programs – impacting thousands of collegians and alumnae. Donors have funded scholarships and cardiac research, programs that impact more than Alpha Phis, but also the communities they belong to. Read along to learn more about how Alpha Phi Foundation has put your dollars to work, our plans for the remainder of the campaign, and a look towards the near future.

Your support makes our mission possible and advances women's lives each day.

On behalf of the Board of Directors, thank you for *leading with heart*. We look forward to seeing what 2022 has in store for us, our communities, and you. We are honored and grateful for your loyalty to Alpha Phi and for ensuring the future for generations of women.

Loyally,

Mary Beth Cooleen Tully

LEADERSHIP FROM THE HEART...

Alpha Phi stands firmly on a bedrock of history and innovative leadership. As a flourishing community of over 200,000 sisters, our Fraternity offers our members a nurturing environment to thrive as women in every stage of life. Thanks to the generosity of **Leading With Heart** donors, Alpha Phi has developed **over 25 new leadership programs**. Alpha Phi's innovative programming invests in our sisters and strengthens their ability to create change in the world during their collegiate years and beyond.

LIVE COURAGEOUSLY SERIES

Alpha Phi's primary concern is the health and well-being of its members. The Live Courageously Series provides a variety of important programs that empower our members to be proactive in a difficult situation, to act, and to care for one another.

STAND TOGETHER

Alpha Phi provides a variety of important programs that empower our members to learn to *stand together* and teach our members how to make Alpha Phi a more welcoming, safe, and inclusive environment for those who join and for the community at large.

LEAGUE OF COACHES

Committed to the lifelong Alpha Phi experience of our members, the League of Coaches programming is designed for both collegiate and alumnae members. In order to meet the ever-changing needs of our members, a diverse group of alumnae and industry leaders share their knowledge and expertise with Alpha Phi members.

LEGACY OF LEADERS

Today's Alpha Phi collegians are tomorrow's leaders. The Legacy of Leaders programming includes a variety of innovative opportunities to teach, inspire, and educate members about how to *influence change* through empowering leadership in their communities.

GENEROUS HEARTS

Alpha Phis are change-makers who want to make a positive difference in the world around them. The Generous Hearts programming not only reflects this long-standing commitment to giving back but also provides new opportunities for community involvement and education.

"Now more than ever, investing in women – Alpha Phi members in particular – is important to create leadership skills needed to lead our chapters and all of our campuses across the United States and Canada."

WOMEN'S HEART HEALTH

Alpha Phi has been committed to improving women's heart health and supporting cardiac education and research since 1946. Through the **Leading With Heart** campaign, donors have affirmed and secured our commitment to improving the lives and health of women.

Since the start of the **Leading With Heart** campaign, we have awarded \$600,000 in support of groundbreaking cardiac advancements. Additionally, we have granted over \$1.6 million in support of mission-aligned community partners.

HEART TO HEART GRANT

2021 Grant Recipient: Duke University School of Nursing

Duke University School of Nursing will use the grant to fund their research project: **Improving the Visibility of Women: Patients as Partners in Management of Uncontrolled Hypertension**. This project will use a community-based intervention that will identify and reduce disparities and inequities among women with high blood pressure, resulting in an increase in the proportion of women with managed hypertension.

"I have seen first-hand the benefit Alpha Phi Foundation has on our members - from attending leadership conferences or the Emerging Leaders Institute. I've worked with collegians who return from such experiences with a reinvigorated passion for Alpha Phi and a desire to share all they learned with their chapter sisters. I've received notes from collegians sharing how their leadership journey was positively shaped by a Foundation-funded activity. I knew I wanted to extend my giving to support the work of the Foundation by including it in my estate planning."

Clara Bradley Burdette Society

The Clara Bradley Burdette Society recognizes loyal Alpha Phi Foundation donors with a planned gift. Clara was a philanthropist known for coining the phrase, *“As long as memory remains to me, I will remember Alpha Phi.”* It’s never too early to think about planning your future gift to Alpha Phi Foundation, allowing us to celebrate your gift as a part of the *Leading With Heart* campaign.

To learn how your planned gift can leave a legacy, visit alphaphifoundation.planmylegacy.org or email plannedgiving@alphaphifoundation.org.
