Forget Me Not Grant FAQs

What grants does the Foundation offer to members?

Forget Me Not Grants – Emergency Financial Assistance

The Forget Me Not Grant is designed to provide temporary, short-term, financial assistance for an event or unforeseeable circumstance such as:
Alumnae facing severe and unforeseen financial distress, serious health issues, consequences of natural disasters and urgent family crisis.
Collegians who face an interruption of education due to severe and unforeseen personal or financial struggles. *(Please note, Forget Me Not Grants are NOT applicable towards Alpha Phi dues).*

Who is eligible?

Collegians and Alumnae are eligible to receive assistance grants if they have a qualifying need.
Members must be in good standing with Alpha Phi Fraternity.

When are the application deadlines?

Members can apply for a Forget Me Not Grant at any time during the year. Most grants are approved within one week. Reminder: a member may only receive one Forget Me Not Grant per fiscal year (July 1-June 30) and two grants in your lifetime.

What does the application process entail?

Step 1: Gather Your Information & Select References

- Collegiate Members: Require a recommendation/reference from a Chapter Advisor.
- Alumnae Members: Require a reference from an Alpha Phi sister, friend, coworker, or family member familiar with the hardship.
- Ensure references are notified in advance, as complete reference submissions are required for evaluation.

Step 2: Complete the Online Application

- Fill out the personal statement detailing the unforeseen financial crisis, current liabilities, and existing relief efforts.
- Thoroughly review all details before submitting.

Step 3: Evaluation & Board Review

- Applications are received and reviewed by select Foundation Staff to verify eligibility. To protect your privacy, applications are received and reviewed strictly by a small, designated team of qualified Foundation staff members. Every detail of your application remains strictly confidential throughout the evaluation and approval process.
- Evaluation is based on hardship severity, financial need, liabilities, and proof of seeking secondary avenues of support.
- Final grant determination and award amounts are confirmed following review.
